

City of Crossville- Winter Storm Brush Collection Schedule

The brush collection for the City of Crossville will be changed to the following schedule due to the recent winter storm:

- If your regular trash pick up day is Monday, brush collection will occur March 2 thru March 6.
- If your regular trash pick up day is Tuesday, brush collection will occur March 9 thru March 13.
- If your regular trash pick up day is Wednesday, brush collection will occur March 16 thru 20.
- If your regular trash pick up day is Thursday or Friday, brush collection will occur March 23 thru 27.

We will follow this schedule as closely as possible. We will update the schedule each week if needed based on the amount of brush collected and the amount of time it takes to collect it.

Rules for Brush Collection

1. Brush from commercial tree and landscaping services must be disposed of by the contracting company and not left for collection by the city contractor.
2. Brush must not be larger than 4 inches in diameter and no longer than 6 feet.
3. Brush pile must be within 5 feet of the curb and not placed against trees, fences, utility poles or other stationary objects. Piles must be no larger than 4ft high, 4ft wide and 8ft long.
4. Brush needs to be at the curb by 7am on the Monday of your scheduled pick up week. We will not be able to make return trips during the week when we have already serviced a particular area.
